

# Vulcan Riders Association International Bylaws

The following bylaws are the framework for all Vulcan Riders Association organizations and activities world-wide.

All National, Regional and Local chapter bylaws must not in any way interfere or be in conflict with the International bylaws or the spirit of Vulcan Riders Association's purpose.

## 1. Name

The name of the Association will be Vulcan Riders Association hereafter referred to as the Association.

The Association will also be known as the VRA

## 2. Purpose

The purpose of the Association is to promote responsible motorcycling activities for its members by conducting chapter activities and encouraging the participation of its members in these activities while maintaining a family-oriented open atmosphere.

Vulcan Riders Association is a democratically run organization.

Brotherhood, friendship and tolerance are the guidelines for all our arrangements and meetings.

## 3. Logotype

The Association logo is copyrighted and the copyright rests with the Association Executive Committee.

The right to use the copyrighted logo is extended to National Chapters.

Use of the logo by any other third party requires permission from the Association Executive Committee.

The logo is carried as a front patch and placed on the left or right side of the vest or jacket depending of the national chapters culture.

The logo may not be misused or carried in such a manner by members, that it in anyway deflects from the Association's core values.

The VRA is not a part of the Motorcycle Club Culture and the logo must not in any way be used to give that impression; for instance as a part of a three-part backpatch.

## 4. AEC

The Association Executive Committee is the governing body of the Association.

The members of the AEC will consist of the National President from each country (or their appointed representative) and the National Vice Presidents.

The National Chapters, the World President, and Non Chapter Member President have one vote each.

From the incumbent National Officers, the AEC will elect a World President, a World Vice President, a Non Chapter Member President, and other officers as needed.

The AEC reserves the right to charge each National Chapter an Association fee.

The National Webmasters are a part of the AEC, but since they are appointed officers they have no vote in the committee.

## 5. Association Finances

Vulcan Riders Association is financed by contribution according to each national chapter's number of registered members.

There are no regular fees. When needed the AEC will decide about contributions and financing for specific purposes.

## 6. National And Regional Chapters

By standard the VRA is divided in National Chapters, with one chapter per country, named by international dialing number. USA=1 UK=44 Sweden=46 etc.

National Chapters will abide by the Association bylaws and the decisions of the AEC.
